I, the parent/guardian of _____ grant permission for their participation in the Concerned Fathers Association Chess & Science Program (CFA). I hereby waive, release, and agree to hold harmless the Concerned Fathers Association, its officers, organization, consultants, volunteers, or the facility where the program will be held from any claim arising from any injury or loss to my child. Any willful damage to equipment will be billed to the participant. I hereby grant the CFA permission to use my child's likeness in a photograph, video, or other digital media in any and all of its publications, including web-based publications, without payment or other consideration.			
_____ Parent/Guardian Signature			

The CFA Chess & Science Program is designed to offer a skill-based chess program to grades K-12 students of all levels from beginner to advanced. Emphasis will be on achieving excellence in problem solving, creativity and logical reasoning skills while making new friends with similar interests. The Science component is designed to focus on exposing the students to STEM related topics and activities.
